Dear Luria,

First, thank you very much for your hospitality on this last trip. I am sorry to have been so much trouble about those folders, and hope you will not make any special effort to recover them.

Separately, I have sent you a culture of "E. coli mutabile Lwoffi", "L", which as far as I know is prototrophic. There is also a K-12 for Cunsalus; I had forgotten whether you have a transfer at Bloomington or not.

My expense account comes to $55.

Plane:	17.50
Berth, trains	15.00
Hotel	5.00
Meals, Tips, Cabs etc.	17.50

Sincerely,

Joshua Lederberg
