Dear Joshua,

Thanks for your August 10 letter. I gather from it that Smith has already been hired and that he is at work.

I am sorry that Tener is not coming, but I have just heard from Kenner at Liverpool about a former student of Todd's who looks like an interesting possibility. I have asked Kenner to get in touch with the man (Buchanan) at Newcastle on our behalf.

We had a wonderful time at Heron Island and since I just gave my Conquer lecture I can now enjoy the rest of the trip. I am looking forward to seeing you in a couple of weeks, in the meanwhile don't become blue from genipin.

Saludos to both of you,

Carl
