

December 17, 1953

Dr. Gustav J. Martin  
Research Director  
The National Drug Company  
Philadelphia 44, Pennsylvania

Dear Dr. Martin:

Thank you very much indeed for your letter of December 10 and especially for your notable courtesy in sending me a copy of your book. You may be sure that I will continue to exchange publications with you.

Yours sincerely,

Joshua Lederberg,  
Associate Professor of Genetics
