Non gignunt dextros qui stant in parte sinistra:
Læna dat vxores, dat tibi dextra mares.

Dear Joshua, I hope you may like this Xmas card which Don Moroni, the priest in charge of consanguinity work, has produced. It would be very pleasant to be able to spend March, or even a small part of it, in Stanford. But on accurate examination of my lecturing schedules I find I cannot come to the States. I have a very heavy teaching load this year, and it is both more honest, and simpler to stay home.

We enjoyed the news of your skiing adventures.

Your invoice has been forwarded and should be taken care of in a short time.

All the best, also to Esther,
Yours Luca
