Memo/Reply From
JOSHUA LEDERBERG

TO: Jack vs B.

APR 15 1980

Congratulations!

on this endowment.

I would enjoy the possibility of a visit; but the realities are that such calls are likely to collide in fact with a crush of circumstance here; and I really have to say "no" to a further extension of responsibilities.

If I can help out ad hoc on some special study by mail, please let me know.

Yours,

Jim
