THE ROCKEFELLER UNIVERSITY
1230 YORK AVENUE NEW YORK, NY 10021-6399

JOSHUA LEDERBERG
PRESIDENT

30 May 1983

Dear David:

With all the time we share in encouraging others to help the university, my "effort to thank you might be in peril of talking to oneself." However, you do make clear such an example of devotion and altruism: your example is a beacon to all others.

The occasion does give me the advantage once again to be able to say how much I appreciate the privilege of our association.

Thank you,

Joshua
