Dear Josh,

The plan is to go to Milwaukee on N.W. 311 and then take flight NW 431 to Madison — more or less as planned — arriving 8.44 pm Friday evening. I have not yet had my booking confirmed, but if you dont hear from me further I shall be arriving on that flight.

It would be nice to see the Biochemists, too, if we could fit that in, especially Heidelberger, who has a result which might bear on the coding problem

Greatly looking forward to it,

Yours ever,

Francis
