[illegible] Gibson

DEC 30 1980

Hon. Mr. Justice Clyne

Did I read your note to imply that you had (quite reasonably) sounded him out about joining the Council?

If so and if he had shown a positive inclination I would certainly want to bring his name back to the Nominating Committee! Please advise.

I am so very pleased you have agreed to join our group of friends.

All best wishes,

John.
