Dear Josh,

Thanks very much for your invitation to stay with you. I gratefully accept.

I shall arrive on the Chicago & Northwestern train which leaves from Chicago at 6:30 P.M. on Wednesday, Feb. 6. I believe it arrives at 9:38 PM. Looking forward to seeing you and Esther.

Warmest regards,

Mike

P.S. Please cancel the reservation which Sandy made for me at the Union or Faculty Club or something and let him know when I am coming.
