Dear Dr. Lederberg:

The papers on gynandromorphism are:

1932 Prae- oder Postreduktion der Chiasmata. Die Naturwissenschaften. 20:358-362.

based on:

Goldschmidt, R. and Katsuki, K. Erblicher Gynandromorphismus etc. Biol. Centrbl. 47: 45-54

dto. Thieme 48: 39-42

" " 48: 685-699

" " 51: 58-78

The grasshopper work and the papers of Miss Carothers quoted in Wilson the Cell.

It was a pleasure to meet both of you.

Regards

R. Goldschmidt
