The Rutgers Sc.D., (h.c.)
is a badge I would wear with honor,
and I thank you and the Governors
indeed.

Happily May 21 is also clear on my
calendar; but many days before and
after are not. So before I accept the
article, perhaps I had also be sure of
the pile, and see what the arrange-
ments committee has in mind.

Assuming that no real impediment
is likely,

I look forward to seeing
you again

Jim.
