Dear Orio & Paola

We would certainly have enjoyed seeing you, especially as we changed our plans, quite late, about going to China in December. So do let us know the next time you are in N.Y.

Your gifts were marvellous; and the belt does fit! the security fold is good, not so much against muggers but to be sure I have change for a bus or taxi when I go out.

We had a marvelous time with Eric & Elaine, and were lucky then that they visited us in N.Y.

All the best
from both of us,
Joshua.
