Actor, spectator .... ms

You were most thoughtful to send this to me. For my part I welcome the quotations**, but you are right that it will not be easy to find a publishing vehicle.

Would you care to engage my former colleague, Dr Joseph Kriss,* by sending him a copy? He spent a fellowship year at the Center for Advanced Study in Behav. Sci. pursuing a similar preoccupation. (He is also an accomplished painter!)

** and the bibliography is particularly helpful.

Sincerely,
