Dr. J. Halbrecht
Tel Aviv

DEC 23 1987

Dear Isaac

It is good to hear from you; and I hope you will be coming to New York soon. I was in Israel in 1986; but I have no plans for the near future.

The news of so much violence in Gaza is very distressing. I know how much fanaticism is being whipped up from outside Israel. All the more reason that there needed to be more concerted effort at economic amelioration there.

Best wishes to you,

John.
