HARVARD UNIVERSITY
FACULTY OF ARTS AND SCIENCES

OFFICE OF THE DEAN

5 UNIVERSITY HALL
CAMBRIDGE 38, MASSACHUSETTS

1951

February 28, 1951.

Dear Mr. Letterley:

I send this hasty line in the hope that it may catch you before you go to England, to say that I hope very much indeed that you will keep on your mind about your future plans until you can find time to come to Cambridge - talk with us.

From all that I have heard

of your work and your interests, and from what I know to be the future of science at Harvard, I cannot but think that you might find this the place to be.

Forgive my wretched scrawl – I want to get this off without taking time for typing.

Sincerely

Wolfgang Pauli
