Personal Memo from
JOSHUA LEDERBERG

Jack Gibbons
10/23/89

Counter-terrorism.

Glad to see this study. R+D in this area is underfunded.

I've been on an oversight panel for the TSWG mentioned on p. 7. (I thought its very existence was classified.)

I'd be glad to help as liaison, or on your own advisory panel if you wished.

Do be sure to contact Drew Fabrenwald at CRDEC-Edgewood.

J
