Dear Josh,

It was good to hear that we shall have the chance to see you while you are here to give the lectures at the U. of L. We want very much to see you so could you please let us know when would be best for you.

The evening of Jan 8 (6pm–10pm) I will be at the annual dinner given for the faculty by the trustees, but otherwise I have no fixed committments, except for Jan 9 from 3 to 5 when I must lecture.

I also want to have your opinions about La Jolla, Dartmouth etc. We're off to L.J. for Dec 30 – Jan 3, to see it.

Best regards to Esther.

Sam
