DEPARTMENT OF GENETICS
Professor Joshua Lederberg

MAR 12 1965

Mr. Ellis —

Professor Klee mentions you furnished a Xerox set of Bouwkamp's tables. If you could offer me the same courtesy I would appreciate it very much + of course would reimburse your costs.

Many thanks,

Joshua Lederberg

RAY ELLIS

P.S. Would there be some point in asking Bouwkamp to introduce this into DDC system?
