Cari Luca + Alba

I'm staying at a pensione in Via Margutta for this + next week as the heart of my stay in Italy. The Ligurian coast + firenze were so marvelous that it's difficult to choose between them for next year. Delivery schedule for a Vespa were awkward at Genova so I'm traveling by 2nd class ferrovie and liking it. Thanks for your help + hospitality in Milan and best wishes. Seymour

P.S. Could you again inquire of the Milan R.R. station if a "Regula" camera was found between Lucerne + Milan?
