Dear Josh

I expect that you saw Abelson's latest editorial, and excursion into dance music ... I hope that you are sufficiently "contaminated" to be familiar with some of the old popular dance tunes. One of them, not listed by Prof. Abelson, was "Dream a Little Dream of Me" - it started, of course, with the line "Stars Shining Up Above You". Anyway, here is my reaction -- something in a lighter mood

Best wishes,

Tom Julian
