THE ROCKEFELLER UNIVERSITY

JOSHUA LEDERBERG
PRESIDENT

1/2/86

Dear Alex –

We thank you for the icing (cash); your enormous effort for the university is the cake ... but I'm going to be entangled in my metaphors (as never happens to you.)

Warm feelings might melt ice, but not icing so I do extend them, and with all the best for 1986 to Nan + yourself. I hope we'll see more of you personally.

Yours,
Joshua
