Memo/Reply From
JOSHUA LEDERBERG

TO: Dr. Friedman

APR 16 1979

acknowledgment.

My records are not clear as to whether I've replied to this or not. But I want to be sure to say "Thank you."

I know Trautmann's excellent bibliography; and if a society is forming, on medicine + literature, I would like to hear more!

No, I had not seen Thilthausen.

My own special interest now is 20th Century (incl. contemporary) depictions

Sincerely
Joshua Lederberg
