BLUE RIBBON HALL is one of America's finest duplications of the guild halls of 17th Century Europe. Its [illegible] hand-rubbed to give it an aged effect. Edgar Miller painted the murals which enhance the beautiful Old-World decor of Blue Ribbon Hall, a highlight of any Milwaukee tour. Blue Ribbon Hall's hospitality is known to millions of visitors from all over the world.

XII/16/56 Dear Lederbergs: Though I still owe you a lunch — I love you enough to ask for ① a photograph of the bugs in the act and ② and each sex after the act. A These I need for son Paul's scrap book. A The year I was born Marconi sent the first message across the atlantic. The year I was conceived Max Planck put forth his now famous quantum theory, etc Regards K. P. LINK
