THE STEINWERT, in Cedar Mill, Milwaukee Brewery, is an ideal spot for fully enjoying Pabst Blue Ribbon Beer. A combination of English and Continental Architecture, the Steinwert's (which means Stein Host) attraction is its spirit of Gemeutlichkeit (good wishes and good fellowship).

3-20-58 Dear Josh
My wife has put the clipping of the night paper bearing the Genetics Conf news. I am leaving for N.Y. City and Wash DC on 5.26 and might not get back in time to hear the Genetic Control of Blood Coagulation Processes etc. & I am sorry but

this is at Kaiser business as a guest trump job
