Monday AM at 530 C.D.T. 6-16-58

Dear Joshua: My brother George we call him "Whiskers" was very pleased to meet you and was especially happy to hear from you that one of his papers was appreciated by you. On my desk here he saw your Bact Review 21, 133 1957 on Viruses - Genes and Cells and he asked me to request that you send him a reprint.
