KARL PAUL LINK
Lakeview Sanatorium
Madison 4, Wisconsin

Joshua - you were kind enough to send me a card from Stockholm and 10-6 of the 1958 PN. The best I can do is send you my number at the

WISCONSIN STATE Prison

where my laundry is handled. So it's LVP L-18 for K.P.C.

Did you know that our little fellow Paul (aged 5) who has his mother's brain trends and my t.b. trends is at Marymount Sanatorium. Mrs Link - John at 22 and Tom at 18 escaped. I had been tutoring Paul the last 6 weeks of my Freedom. He is very promising boy.
