Memo/Reply From
JOSHUA LEDERBERG

TO: Dr Joseph C Hinsey

JAN 14 1981

Casser ~~auto~~ biography

Thank you for your letter of Jan. 9.

My detective work did uncover the publication you sent me. It did end up at the R.U. Library, and from there the Casser collection of the University Archives. So it is in good hands.

I am now perusing the copy in Experimental Neurology.

Thank you for your thoughtfulness.

Sincerely,

Joshua Lederberg

ELT / Bruce Rus.
