3-21-62 Dear Joshua: I got your greetings via Hoffersohn etc. & I used to see your name in Nature — now I'll look for it under Kennedy. It occurred to me that one of the best places to spend a million bucks on mental retardation would be in the circle of defense advisers etc that surrounded J.F.K. Or you might divide it between J.F.K's boys and N.K's. & the local situation with its foibles and frailties of human nature must amuse you. & It would appear that you left just in time to avoid the
