9 Nov.

Dear Josh;

I shall be in Palo Alto on Friday
16 Nov. 1962 one week from today. I hope to have
a chance to see you, and to talk about
measuring G-6-PD in single cells. You may
recall we discussed this when you were here
in Oct. Hope it will be convenient.

Looking forward to seeing you.

Best to Esther

Yours

Barker

P.S. Any time of day is fine.

I'll be there all day.
