Dr. Dean B. Cowie
Dept. of Terrestrial Magnetism
Carnegie Institution of Washington
5241 Broad Branch Road, NW
Washington 15, D. C.

Dear Dean:

I've just gotten the work schedule for the NIH study section and this is so rugged that I had better stick to the Hotel Raleigh where we're meeting. I have to fly out to California on May 10 but will be back for the satellite conference on the 14th.

What about the paper?
