April 13, 1959

Mr. Frederick E. Teal
8 Martins Lane
Daylesford Village
Berwyn, Pennsylvania

Dear Mr. Teal:

Thank you very much for your letter of January 19. We have just finished hearings with the National Cancer Institute and I have discussed your letter with the Institute Director, Dr. Heller, and he is going to submit additional details before we act on the Bill for 1960.

Very truly yours,

John E. Fogarty
Chairman
Labor - H.E.W. Subcommittee
