Mr. George W. Potter
The Providence Journal Co.
Providence, Rhode Island

Dear Mr. Potter:

Sometime ago Congressman Fogarty asked me to send to you background material on his efforts in behalf of a united Ireland. Since John's interest in the subject predated my association with him I asked his former secretary, Dave Doyle, to draft a report for you.

Enclosed herewith is a rough draft of Dave's comments on the subject. Should there be any further information or material which you would like to have I hope you will so advise me.

With kindest regards, I am

Sincerely yours,

George J. Kelley
Secretary
