MEMO FROM
J. LEDERBERG
GENETICS DEPARTMENT
STANFORD UNIVERSITY
STANFORD, CALIFORNIA

TO: Carl Rogers.

TX
RC
RO

JUN 9 1969

Thank you, especially for the reference to the Coulson-Rogers book. Your letter was entirely responsive; I did mean "social responsibility" of scientists.

~~Do~~ you have reprints of your ~~debate~~ with Skinner, I believe in Science, some years ago?

Thank you
Joshua Lederberg.
