Dear Josh:

George Corner has been after me to do a biographical sketch of Ed Tatum for Amer Phil Soc. I can't possibly do it for the forthcoming Yearbook and even for a later time it would be a tremendous job for me. Aside from our collaboration at Stanford my knowledge of Ed is pretty sketchy.

Could you do the one for the Amer Phil Soc.? If not, do you have information that would be helpful to me in case I end up trying it? I'm really not very good at this kind of thing. I can't even do my own biography without great pain, trauma & effort!

Regards
