Dear Joshua,

thank you very much for your letter;
I am writing to the Air Force. We will probably reach
a final conclusion about Interist in October or No-
vember.

In fact, everything about the fami-
ly could have been much worse; Violetta's finger is
now OK, so is Tommy recovered and my mother also OK.
But the maintenance of activity of the department
will require some work for several months.

Yours
