Dear Josh:

Herewith again my congratulations, and a repeated expression of extreme pleasure that you're sharing it with us!

Re plans — I've been out of N.Y. the last week, and haven't yet had time to check definitely or to plan — It would be excellent if we can go together — We'd prefer a night flight (jet by all means if possible) to Paris with connection to Stockholm — 6th should be OK — We're hoping Peg or/and Barbara can come with us — and are requesting reservations (Tourist) accordingly within a few days.

will probably stay me
for a few weeks –
Still no definite word
on details at Stockholm –
Duss, no's of affairs, etc!
I'll keep you in
touch as our plans
materialize and solidify.
Again – its
wonderful!
See you both
Soon
yours
Ed
