Memo/Reply From
JOSHUA LEDERBERG

TO: Dr Jordan Baruch
Asst. Secy. of
Commerce

MAR 18 1980

This is the IOM study I mentioned.

Is the cost of "regulation" to avert a health effect part of the cost of ... such diseases & effects?

CEA and COWPS will presumably have some input; but we will need all the expertise we can get. Who worries about this in your dept?

Jim.
