Long shot

Dear Tom

I noticed that I'll be shuttling from N.Y. to SFO twice in the next month:

| Lv. NY | | Dep. SFO ret. | |
|---|---|---|---|
| 6 or 7:30 pm | 5/1 | a.m. | 5/3 |
| " | 5/7 | | 5/10 |

and I just wondered if this might connect with your plans.

Any chance?

In any case, do you want to drop by here? Join us for family dinner? when you're transiting N.Y.C.

I'd like to ask your advice on a more or less personal matter

---

Jack Beckett sent me a copy of Transamerica magazine.

I was glad to see how enthusiastic Jack is about R.U., and also that you have joined the Board. I really enjoyed the crew that Jack pulled together, as people.

My cervical disk gave me a miserable February but it has healed by itself; and I have no residual problems other than restoring muscle function in my triceps.

I hope you are getting some good news -- I should not be a burden on you but I am concerned when I haven't heard from you in a while.

In any case I hope you see us.

Yours

John
