R.U. use of your donation

I was saving this note to share with you at the Center Board last week. Failing that ....

Enclosed is the c.v. of a very promising young investigator we are trying to recruit. It is not quite settled, but I am fairly confident she will accept. Then we will need some funds to help set up her lab -- and this is the purpose for which I have earmarked your gift.

Wish us well! I am very much impressed by her. The best to all of you, and hoping to see you soon,

Yours,

Joshua
