Here are the 2 items I referred to when I saw you last Monday.

I saw Henry K several days ago & since you & I had selected Henry Kaplan as the 1981 PL Lecturer, I had suggested that he take the initiative to suggest the 1982 Lecturer. His choice is George Klein (Stockholm) & perhaps he had already informed you. I believe Klein is a good candidate.

Sam Silverstein's performance was outstanding and my several guests, Mrs Ann Straus, Laura Gould, Rita Kilstein & Bettina Warburg were quite enthusiastic about the events of the entire evening

Yours
Phil Lenni
