Welcome!

We just saw this morning's N.Y. Times.

Whatever the ambiguities of the position (that you were hinting at a few weeks ago) we have unalloyed gratification. It has frankly been somewhat lonely here, as exciting and stimulating my own job remains.

Good luck! — and please let us know if we can help on any detail, large or small, especially in the actual moving.

Next time you're both in NY + perhaps have a free evening, please let us know.

Yours,

Joshua
