Memo/Reply From
JOSHUA LEDERBERG

TO: Don Kennedy

SEP - 4 1980

S.U. provost

1) Enclosed Jerry Schneewind's CV

2) You should think about Harriet Zuckerman. whom you must know.

She is one of the shrewdest and most sensitive persons I know in higher education. (But I hate the thought of losing one of my close friends here!)

Yours

Joshua
