Dear Dr Lederberg:

I would like to request a copy of your editorial that appeared in the J.A.M.A. on 17 JAN 96 - Vol 275 No 3.

You may recognize my last name PENZER as my father - now deceased - was one of your teachers at Stuyvesant High School. If I had a nickel for every time he mentioned you I'd be able to retire now. Instead I practice pediatrics on Long Island.

At any rate you were a household celebrity in our (my) life. Thanks

for sending me the reprint and I hope this note finds you well and happy.

Sincerely,

Paul H Wenzel M.D. FAAP
