Dear David

I am very glad to know that you have accepted membership on the Procter + Gamble Board, and I want to welcome you to that (and back to civilian life.)

Procter (and I mean especially its top management) is a very fine company and I am sure you will find this a very happy experience, and one that serves the interests of very many people, not least of all the consumers who benefit from the quality and integrity of Procter's products.

I look forward to working with you, and to seeing you in May.

Sincerely,

Joshua
