Personal Memo from
JOSHUA LEDERBERG

Spyros d

JUL - 5 1985

"Perfection of Man"

With a title like that, obviously it was intended to be my last word on algency, etc.

However, I would be more than delighted were you to wish to reprint or adapt either (or both) of the enclosed.

Best wishes,

J.L.

I'll be in Palo Alto again during August.

enclose p263, 265
