Personal Memo from
JOSHUA LEDERBERG

Dr. Selma Berrol.

MAR 27 1986

Thank you for your courtesy in sending me a copy of your paper on the Jewish West Side.

I grew up in Washington Hts. and am very conscious of how the new subway system gave me access to Stuyvesant High School (on East 15 St.) (1938-41).

Has any (comparable?) writing addressed the history of Washington Hts (north of 155 St) [less affluent than the West Side] — a more mixed neighborhood?

Sincerely,

Joshua Lederberg
