Dr. Joshua Lederberg
Department of Genetics
Stanford University Medical School
Palo Alto, California

Dear Joshua,

✓ I am due to arrive at San Francisco on TWA at 12:19, on October 26. I tried to reach Miss Kielsmeyer by phone, but she was out, and since you are kindly making arrangements for me I haven't bothered to call back. I will call your office to find out what arrangements have been made; unless the flight is delayed I should be able to reach the Center by 2 or so. As you no doubt know by now, I will be staying at Arthur's that night.

I look forward to seeing you on the 27th. Many thanks for making arrangements.

Cordially,

Bernard
Bernard D. Davis

BDD/we

P.S. In reply to your second letter about Harriett and Avery, I am afraid there is little I can add, but we can discuss it when I arrive.

Davis, Bernard
