Personal Memo from
JOSHUA LEDERBERG

G. Pontecorvo

JUN 16 1986

Dear Bruno

~~Bruno~~ Reminiscences.

Salome passed this back to me.

1) What is your evidence of saving face 1946 > 1946?

2) More seriously:

Since you recall the event (of my debate with Wolf) can you reconstruct the exact date?

Do you have any contemporary notes?

It would be nice to be in touch with you again.

Sincerely,

Joshua.
