Dear Josh -

My warmest thanks for your very kind letter and the offer of the facilities of the University. It happens that I have a wonderful zingy daughter - she's an art director of the "MUPPET SHOW" who is a close neighbor of yours - she lives on 86th St East - so I hope to be near the University once in a while.

Perhaps we could get together on Wednesday the 26th? Come to think of it - the mail will never reach you - I'll call.

Again, my thanks for your thoughtfulness.

All the best
Noel Gayler
