Dear Dr. Lederberg,

I hope you have completely recovered by now and have your house improvement completed.

This is just to follow up my phone call — I'm having a small dinner party with two stimulating and charming men whom you might enjoy — Dr. Peter Katenby Medical Director of United Nations; and Dr. Frank Curran, delegate from the Holy See to the United Nations & their companionable wives will also be present.

I know it is terribly short notice; but if you are free we would be delighted to have you and your wife, of course join us about 7 45 pm Friday evening February 9th.

Sincerely,

Maurice Green
